PROFILE

BILL GATES - SETTING THE STANDARD An insight into one of the world's most prolific suppliers of software

20

Next Week

● We continue our BASIC conversion course for Spectrum users, concentrating on functions and control structures.

● Widely acclaimed as the best of the microcomputer-based wordprocessing packages, Micropro's Wordstar can turn any CP/M based machine into a very powerful text processor.

● Amongst the educational uses of computers, one application is particularly attractive to the home user - examination revision software. We look at this fast-expanding field.

Your special offer binder order form will be with Issue 5.

Overseas readers: this special offer applies to readers in the U.K., Eire and Australia only.
